

compensation rates

Review 2026 compensation rates for Vietnam and Korea Veterans' children who have spina bifida as well as women Vietnam Veterans' children with certain other birth defects.

Rates effective December 1, 2025

The rates listed here show your monthly rate (or payment amount) based on the severity of the child's disability, from least to most disabling.

Vietnam and Korea Veterans' children with spina bifida

- **Level I (least disabling):** \$430
- **Level II:** \$1,457
- **Level III (most disabling):** \$2,479

Women Vietnam Veterans' children with certain other birth defects

- **Level I (least disabling):** \$201
- **Level II:** \$430
- **Level III:** \$1,457
- **Level IV (most disabling):** \$2,479

How do I know if my child is eligible for compensation?

If you served in Vietnam, Thailand, or in or near the Korean Demilitarized Zone (DMZ) and your child has spina bifida or certain other birth defects, they may be able to get compensation (payments) and other disability benefits.
